Kitchen Solutions

Mixer Grinders

750W

Slender 7, KMN75B3S

Benefits/ USP

- **Compact design**
- **Overload protection**
- Increased grinding performance
- Easy to operate

Features

- 750 Watt.
- 3 SS Jar with Handle.
- 1.5 Ltr Liquid jar, 1.0 Ltr dry/wet jar, 0.4 Ltr CH Jar.
- Smart sensor.
- Flow Breakers.
- PC Dome Lids. Lid Lock Clip.
- Vacuum Rubber feet.
- Spatula

Fabio Premia, KMF75W6P

Benefits/ USP

- **Unique & compact design**
- **Flow breakers - ensures complete grinding**
- Overload Protection
- Increased grinding performance
- Easy to operate

Features

- 1HP (750 Watts) Powerful Motor
- Stirrer assembly
- 2.0Ltr Liq jar unbreakable polycarbonate
- 1.0Ltr Multi grind jar – SS
- 1.75 Ltr Dry/Wet jar
- 0.3Ltr cool touch Chutney jar
- Smart Sensor Technology
- Flexi Cap
- 2 Storage jars
- N Dura oil seal
- Mincing and Whipping blades
- 6 years warranty on motor (2 years on product)

Fabio 3S, KMF75W3S

Benefits/ USP

- **Unique & compact design**
- **Flow breakers - ensures complete grinding**
- Overload Protection
- Increased grinding performance
- Easy to operate

Features

- 1HP (750 Watts) Powerful Motor
- Super Silent
- 3 SS Jar (1.75Ltr Liq jar, 1.0 Ltr Dry/Wet jar, 0.3Ltr cool touch Chutney jar)
- Smart Sensor Technology
- Flexi Cap
- Mincing and Whipping blades
- 6 years warranty on motor (2 years on product)

600W

Stallion DX, MG-0411, KMS60W3P

Benefits/ USP

- **Compact design**
- **Overload protection**
- Increased grinding performance
- Easy to operate

Features

- 600 Watts Powerful Motor
- Smart Sensor Technology
- Unbreakable Jar
- 2.0Ltr. Liq jar – Polycarbonate
- 1.7 ltr Dry/Wet jar - SS
- 0.5 Ltr chutney jar - SS
- Stirrer assembly
- N Dura oil Seal
- Flow Breakers
- Lid Clip – Hand free operations
- Unique in-built Cord Winder
- Cool Touch Chutney Jar
- 2 Years Warranty

Slender 6, KMN60B3S

Benefits/ USP

- **Compact design**
- **Overload Protection**
- Increased grinding performance
- Easy to operate

Features

- 600 Watt.
- 3 SS Jar with Handle.
- 1.5 Ltr Liquid jar, 1.0 Ltr dry/wet jar, 0.4 Ltr Chutney Jar.
- Smart sensor.
- Flow Breakers.
- PPCP Lids.
- Vacuum Rubber feet.
- Spatula

500W

Senator SS, MG-0120SS

Benefits/ USP

- **Unique & compact design**
- **Overload protection**
- Increased grinding performance
- Easy to operate

Features

- 500 Watts Powerful Motor
- 3 SS Jar (1.5 Ltr Liq Jar, 1.25 Ltr D/WJ, 0.4 Ltr CJ)
- Smart Sensor Technology
- N Dura Flow Breakers
- N Dura Grind
- Cord Winder
- 2 Years Warranty

Senator PC, MG-0120

Benefits/ USP

- **Unique & compact design**
- **Overload protection**
- Increased grinding performance
- Easy to operate

Features

- 500 Watts Powerful Motor
- 3 SS Jar (1.5 Ltr Liq Jar, 1.25 Ltr D/WJ, 0.4 Ltr CJ)
- Smart Sensor Technology
- N Dura Flow Breakers
- N Dura Grind
- Cord Winder
- 2 Years Warranty

Axe 3S, KMA50W3S

Benefits/ USP

- **Unique & compact design**
- **Overload protection**
- Increased grinding performance
- Easy to operate

Features

- 500 Watts Powerful Motor
- 3 SS Jar (1.25 Ltr Liq Jar, 0.8 Ltr D/WJ, 0.4 Ltr CJ)
- Translucent –Smoke Gray color Dome for Liq. Jar.
- Smart Sensor Technology
- Vacuum Foot
- 2 Year Warranty

Xylo, KMG50W3S

Benefits/ USP

- **Compact design**
- **Overload protection**
- Increased grinding performance
- Easy to operate

Features

- 500 Watts Powerful Motor
- 3 SS Jar (1.25 Ltr Liq Jar, 0.8 Ltr DJ, 0.4 Ltr CJ.)
- Translucent –Smoke Gray color Dome for Liq. Jar.
- Smart Sensor Technology
- Vacuum Foot

Prince Royal, KMR50W3S

Benefits/ USP

- **Compact design**
- **Overload protection**
- Increased grinding performance
- Easy to operate

Features

- Voltage/Frequency: 230V, 50Hz AC
- Power: 500W
- Liquidizer Jar: 1.25 Lts. Stainless Steel
- Dry/Wet Jar: 0.8 lts. Stainless Steel
- Chutney Jar: 0.40 Stainless Steel
- 2 years Product Warranty
- Smart Sensor Technology
- Vacuum Rubber Feet

Juicer Mixer Grinders

Yuva Plus, KJY50N2A

Benefits/ USP

- **Healthier juices**
- Big pulp collector for uninterrupted operation
- Overload protection
- **Easy to operate** - hands free operation

Features

- 500 Watts Powerful Motor
- Centrifugal Juicer with 30% mode Juicing efficiency
- 2 Jars + Juicer
- 1 PC jar, 1 SS jar + centrifugal juicer
- Pulp Collector
- Blending, Whipping & Grinding
- Speed Control & Incher Switch
- Overload Protector
- 2 Years Warranty

Food Processors

Karishma Royal, KFR60W4M

Benefits/ USP

- Unique Design
- **In Built storage for accessories**
- Perform various operations
- **Overload protection**
- More attachments for different need
- **Easy to operate**
- Easy storage

Features

- 600 Watts Powerful Motor
- 3 Jars + 10 attachments
- Liq jar 1.5Ltr unbreakable polycarbonate jar
- Dry/wet jar 1.25 Ltr stainless steel jar
- Chutney jar 0.4Ltr stainless steel jar
- Centrifugal Juicer with 30% mode Juicing efficiency
- Critically balance blades
- Vacuum Suction feet
- Cord Winder
- Thin and Thick Slicer
- Grater
- 2 Years Warranty

Hand Blenders

Jazz, KHJ50W2C

Benefits/ USP

- **Small and occupies very little space**
- **Easy to use interface**
- Sturdy body that is designed to last long
- Easy to clean and re-use

Features

- 500 Watts Powerful Motor
- Stainless Steel Swirl Enhancer for best result
- Chopper attachment
- Beaker for mixing and storage
- Strong & Sturdy wall mount attachment
- Muti Chopper Attachment

Jazz Dx, KHD50W2M

Benefits/ USP

- **Small and occupies very little space**
- **Easy to use interface**
- Sturdy body that is designed to last long
- Easy to clean and re-use

Features

- 500 Watts Powerful Motor
- Stainless Steel Swirl Enhancer for best result
- Chopper attachment
- Beaker for mixing and storage
- Strong & Sturdy wall mount attachment
- Muti Chopper Attachment
- Kneader
- Whisker
- 3 Blades (Shredder/Slicer/Grater)

Toasters

Pro Crispy

Benefits/ USP

- **Quick and crispy toasts can be prepared**
- **Left overs can be easily reheated**

Features

- 1300W
- 4 Slice Toaster
- Removable Crumb Tray
- Cool Touch Housing
- Cancel/Eject Button
- Extra Wide Slots
- Skid Resistant Feet
- Auto Pop-up, Auto Shut off

Crispy

Benefits/ USP

- **Quick and crispy toasts can be prepared**
- **Left overs can be easily reheated**

Features

- 750W
- 2 Slice Toaster
- Removable Crumb Tray
- Cool Touch Housing
- Adjustable Browning Setting
- Extra Wide Slots
- Skid Resistant Feet
- Cancel/Eject Button

Toastie

Benefits/ USP

- **Quick and crispy toasts can be prepared**
- **Left overs can be easily reheated**

Features

- 800W
- 2 Slice Toaster
- Removable Crumb Tray
- Cool Touch Housing
- Cancel/Eject Button
- Extra Wide Slots
- Skid Resistant Feet
- Defrost Options
- Extra Wide Slots

Sandwich Makers

Carino Duet

Benefits/ USP

- **Quick** and easy way to make homemade toasted sandwiches with quality taste
- Small and easy to store in kitchen
- **Suitable for grilling and baking**

Features

- 850W
- Detachable sandwich & grill plates
- Non stick baking plates
- Power “On” and “ready” indicators
- Cool touch housing
- Extra Wide Slots
- Skid Resistant Feet

Carino

Benefits/ USP

- **Quick** and easy way to make homemade toasted sandwiches with quality taste
- **Small and easy to store in kitchen**

Features

- 750W
- Non stick baking plates
- Power “On” and “ready” indicators
- Skid Resistant Feet

Electric Kettles

Insta Kettle

Benefits/ USP

- **Efficient** than 'stove top' kettles
- **Very convenient**
- Efficiency and **energy saving** options makes it very economic
- Indispensable to tea drinkers

Features

- 1300 Watts Powerful Motor
- 1Ltr. capacity
- Convenient Operation
- 360 degree swivel base for easy placing & lifting
- Over heating protection
- Auto shut off
- Power On Indicator

Rapido Kettle

Benefits/ USP

- **Efficient** than 'stove top' kettles
- **Very convenient**
- Efficiency and **energy saving** options makes it very economic
- Indispensable to tea drinkers

Features

- 1 Ltr. Capacity
- 1300 Watt
- Convenient Cordless
- 360 degree swivel base for easy placing & lifting
- Over heating protection
- Auto shut off
- Power On Indicator

Rice Cookers

Cookmate

Benefits/ USP

- **Rice is prepared quickly**
- Timer can be set
- **Uniform cooking**

Features

- 1.8 Ltr. Capacity
- 700W Powerful Motor
- Cook & Keep Warm Function
- Steam Basket
- Rice Cup & Spatula

Cookmate Jr.

Benefits/ USP

- **Rice is prepared quickly**
- Timer can be set
- **Uniform cooking**

Features

- 1.0 Ltr. Capacity
- 400W Powerful Motor
- Cook & Keep Warm Function
- Steam Basket
- Rice Cup & Spatula

Induction Cooktops

Prince Dx, KID16BP5

Benefits/ USP

- Cooking is done faster than gas stove
- Can be **easily cleaned**
- **Energy efficient** than a gas stove

Features

- 1600 Watt
- Anti Magnetic Ceramic Plate
- 5 Heat level
- Variable Heat Control
- Auto Pan Detection
- Auto Cool
- Energy Efficient
- Reliable Tact Switch Operations
- 5 Cooking Preset Modes
- Child Lock
- 7 Segment digital display

Kitchen King, KIK19BP7

Benefits/ USP

- Cooking is done faster than gas stove
- Can be **easily cleaned**
- **Energy efficient** than a gas stove

Features

- 1900 Watt
- Anti Magnetic Ceramic Plate
- 7 Heat Level
- Preset
- Variable Heat Control
- Auto Pan Detection
- Auto Cool
- Energy Efficient
- Reliable Tact Switch Operations
- 7 Cooking Preset Models
- 7 segment digital Display

Kitchen Emperor, KIE21BP9

Benefits/ USP

- Cooking is done faster than gas stove
- Can be **easily cleaned**
- **Energy efficient** than a gas stove

Features

- 2100 Watt
- Anti Magnetic Ceramic Glass –
- Silver Graphics
 - 9 Preset Cooking Modes
 - 8 Heat Levels
 - Variable Heat Control
 - Auto Pan Detection
 - Auto Cool
 - Energy Efficient
 - Reliable Tact Switch Operations
 - Child Lock

Galaxy, KIG21BP7

Benefits/ USP

- Cooking is done faster than gas stove
- Can be **easily cleaned**
- **Energy efficient** than a gas stove

Features

- 2100 Watt
- Anti Magnetic Ceramic Plate
- 7 Preset Cooking Modes
- 8 Heat Levels
- Variable Heat Control
- Auto Pan Detection
- Auto Cool
- Energy Efficient
- Reliable Tact Switch Operations

Prince, KIN14BP6

Benefits/ USP

- Cooking is done faster than gas stove
- Can be **easily cleaned**
- **Energy efficient** than a gas stove

Features

- 1400 Watt
- Anti Magnetic Ceramic Plate
- 6 Preset Cooking Modes
- Tact Switch
- Variable Heat Control
- Auto Pan Detection
- Auto Cool
- Energy Efficient
- Reliable Tact Switch Operations

Kitchen Queen, KIQ16BP3

Benefits/ USP

- Cooking is done faster than gas stove
- Can be **easily cleaned**
- **Energy efficient** than a gas stove

Features

- 1600 Watt
- Anti Magnetic Ceramic Plate
- 3 Heat Level
- Variable Heat Control
- Auto Pan Detection
- Auto Cool
- Energy Efficient
- Reliable Tact Switch Operations

Cooking Solutions

Microwave Ovens

KM20SSLN - MGZ

Benefits/ USP

- **Elegant design**
- Cook wide variety of food items
- **Saves time**
- **Hassle free cleaning**
- Energy efficient

Features

- Power Supply : 1Ph/220-240V/50Hz
- Actual Capacity : 17L
- Product Type : Solo
- Cavity Type : Power Coated
- Control Type : Mechanical
- Model Finish : Silver
- Front Finish : Silver Panel/Black Glass
- Input Wattage : 1200 +/- 10%
- Microwave Wattage : 700 +/- 10%
- Power Levels : 5
- Combi Functions : NA
- Auto cook recipes : NA
- Auto Defrost : Yes

KM20GSCN - MGZ

Benefits/ USP

- **Elegant design**
- Cook wide variety of food items
- Saves time
- **Hassle free cleaning**
- Energy efficient

Features

- Power Supply : 1Ph/220-240V/50Hz
- Actual Capacity : 17L
- Product Type : Grill
- Cavity Type : Power Coated
- Control Type : Mechanical
- Model Finish : Silver
- Front Finish : Chrome Knob/Black Glass
- Input Wattage : 1200 +/- 10%
- Microwave Wattage : 700 +/- 10%
- Grill Wattage : 900 +/- 10%
- Power Levels : 4
- Combi Functions : 3
- Auto cook reciepes : NA
- Auto Defrost : Yes

KJ25CSG150

Benefits/ USP

- **Elegant design**
- Cook wide variety of food items
- Saves time
- **Hassle free cleaning**
- Energy efficient

Features

- Power Supply : 1Ph/220-240V/50Hz
- Actual Capacity : 25L
- Product Type : Conv
- Cavity Type : Stainless Steel
- Control Type : Digital Jogdial
- Model Finish : Silver Cabinet
- Front Finish : Silver + Red + Mirror Glass
- Input Wattage : 1400 +/- 10% W
- Microwave Wattage : 900 +/- 10% W
- Grill Wattage : 1000 +/- 10% W
- Conv Wattage : 1950 +/- 10% W
- Power Levels : 10
- Combi Functions : 6
- Auto cook reciepes : 50 (Actual) – 150 (Manual)
- Auto Defrost : Yes

KJ20CBG101

Benefits/ USP

- **Elegant design**
- **Cook wide variety of food items**
- Saves time
- Hassle free cleaning
- **Energy efficient**

Features

- Actual Capacity : 20L
- Product Type : Conv
- Cavity Type : Painted Cavity
- Control Type : Key Pad
- Input Wattage : 1200 W
- Microwave Wattage : 800 W
- Grill Wattage : 1350 W
- Conv Wattage : 1350 W
- Power Levels : 11
- Cooking type: Jet defrost
- Combi Functions : 2 (Micro + grill)
- Auto Cook Menu : 101 (8 Actual and 101 for sales)

Heating Solutions

Water Heaters

JACUZZI, KGTo1W1P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Easy installation
- **Saves space**
- Eco-friendly

Features

- 1 Ltr.
- 3 KW
- High Energy Efficiency
- Rust free Body
- ISI Certified Heating Element
- Instant Type
- Compact elegant Design

JACUZZI, KGT01W5P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 1 Ltr.
- 4.5 KW
- High Energy Efficiency
- Rust free Body
- ISI Certified Heating Element
- Instant Type
- Compact elegant Design

Jacuzzi, KGTo3W1P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 3 Ltr.
- 3 KW
- High Energy Efficiency
- Rust free Body
- ISI Certified Heating Element
- Instant Type
- Compact elegant Design

Jacuzzi, KGTo3W5P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 3 Ltr.
- 4.5 KW
- High Energy Efficiency
- Rust free Body
- ISI Certified Heating Element
- Instant Type
- Compact elegant Design

JACUZZI, KGSo6W5P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 6 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- Rust free Body
- ISI Certified Heating Element
- Storage Type
- Compact elegant Design

Hot Spring, KGSo6W5M

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 6 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

JACUZZI, KGS10W5P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 10 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- Rust free Body
- ISI Certified Heating Element
- Storage Type
- Compact elegant Design

Hot Spring, KGS10W5M

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 10 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

Jacuzzi, KGS15W5P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 15 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

Hot Spring, KGS15W5M

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 15 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

Jacuzzi, KGS25W5P

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 25 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

Hot Spring, KGS25W5M

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 25 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

Hot Spring, KGS35W4M

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 35 Ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

Hot Spring, KGS50W3M

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 50 ltr.
- 2 KW
- High Pressure Compatibility up to 6.5 Bar
- BEE 5 Star rating for High Energy Efficiency
- ISI Certified Heating Element
- Storage Type

Aquafresh, KGS15G8M-GDE

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 15 ltr.
- 2KW
- Glass lined, Blue Diamond Enamel coating Tank
- Magnesium anode Rod
- High Pressure Compatibility up to 8.0 Bar
- Multifunctional Valve
- Thermal Cut Off
- BEE 5 Star rating for High Energy Efficiency
- Rust Free Body
- ISI Certified Heating Element

Aquafresh, KGS25G8M-GDE

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 25 Ltr.
- 2KW
- Glass lined, Blue Diamond Enamel coating Tank
- Magnesium anode Rod
- High Pressure Compatibility up to 8.0 Bar
- Multifunctional Valve
- Thermal Cut Off
- BEE 5 Star rating for High Energy Efficiency
- Rust Free Body
- ISI Certified Heating Element

Aquajoy, KGS15G8P-GDE

Benefits/ USP

- Hot water would be conveniently available
- **Economical**
- Can be easily installed
- **Saves space**
- Eco-friendly

Features

- 15 Ltr.
- 2KW
- Glass lined, Blue Diamond Enamel coating Tank
- Magnesium anode Rod
- High Pressure Compatibility up to 8.0 Bar
- Multifunctional Valve
- Thermal Cut Off

Air Solutions

Coolers

Maxocool Super, KCBMSW₁W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- **Easy to install.**

Features

- Tank Capacity : 60L
- Colour: Dual Tone – Swan Grey & Supreme White
- Air Delivery (m³/hr): 2550
- Air Throw Distance: 40ft.
- Air Deflection: 4-way
- Cooling Area: 60sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Spl. Pine, Wood Wool Evaporative Pads

Maxocool, KCAMCW1W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 40L
- Colour: Dual Tone – Swan Grey & Supreme White
- Air Delivery (m³/hr): 2550
- Air Throw Distance: 40ft.
- Air Deflection: 4-way
- Cooling Area: 60sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Spl. Pine, Wood Wool Evaporative Pads

TurboCool Dx, KCATCW₁W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 40L
- Colour: Dual Tone – Swan Grey & Supreme White
- Air Delivery (m³/hr): 2450
- Air Throw Distance: 40ft.
- Air Deflection: 4-way
- Cooling Area: 60sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Spl. Pine, Wood Wool Evaporative Pads

TurboCool Super, KCBTSF1W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- **Easy to install.**

Features

- Tank Capacity : 60L
- Colour: Dual Tone – Swan Grey & Supreme White
- Air Delivery (m³/hr): 2450
- Air Throw Distance: 40ft.
- Air Deflection: 4-way
- Cooling Area: 60sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Spl. Pine, Wood Wool Evaporative Pads

Cyclone 12, KCCCSF1W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 50L
- Colour: Dual Tone – Full White
- Air Delivery (m³/hr): 2550
- Air Throw Distance: 45ft.
- Air Deflection: 4-way
- Cooling Area: 75sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Spl. Pine, Wood Wool Evaporative Pads

DoubleCool Dx, KCGDCF₂W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- **Easy to install.**

Features

- Tank Capacity : 50L
- Colour: Dual Tone – Full White
- Air Delivery (m³/hr): 1750
- Air Throw Distance: 35ft.
- Air Deflection: 4-way
- Cooling Area: 20sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Wood Wool Evaporative Pads

Auster, KCGAXF2W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- **Easy to install.**

Features

- Tank Capacity : 50L
- Colour: Dual Tone – Full White
- Air Delivery (m3/hr): 1400
- Air Throw Distance: 35ft.
- Air Deflection: 4-way
- Cooling Area: 20sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Spl. pine, Wood Wool Evaporative Pads

Ice Tower, KCHVSF₃H-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 20L
- Colour: Dual Tone – Full White
- Air Delivery (m³/hr): 1160
- Air Throw Distance: 35ft.
- Air Deflection: 4-way
- Cooling Area: 20sq. mt.
- No. of Speed: 2
- Louvre Movement: Motorized (Vertical)
- Cooling media: Honey comb Evaporative Pads

Slimline, KCESLF1W-EBA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 30L
- Colour: Dual Tone – Full White
- Air Delivery (m³/hr): 2300
- Air Throw Distance: 35ft.
- Air Deflection: 4-way
- Cooling Area: 20sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Wood Wool Evaporative Pads

Slimline Super, KCESSF1W-EBA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 40L
- Colour: Dual Tone – Full White
- Air Delivery (m³/hr): 2300
- Air Throw Distance: 35ft.
- Air Deflection: 4-way
- Cooling Area: 20sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Wood Wool Evaporative Pads

CD 2010 Dx, KCCCDF1W-FCA

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 50L
- Colour: Dual Tone – Full White
- Air Delivery (m³/hr): 2550
- Air Throw Distance: 35ft.
- Air Deflection: 4-way
- Cooling Area: 20sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Wood Wool Evaporative Pads

Little Dx, CP-0118H

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 12L
- Colour: Dual Tone – White and cool grey
- Air Delivery (m³/hr): 900
- Air Throw Distance: 35ft.
- Air Deflection: 4-way
- Cooling Area: 20sq. mt.
- No. of Speed: 3
- Louvre Movement: Motorized (Vertical)
- Cooling media: Honey Comb Evaporative Pads

Little Remote, KCR12W3H-CEG

Benefits/ USP

- **Very economical - Consumes less power**
- **Cools room uniformly and faster**
- Easy to install.

Features

- Tank Capacity : 12L
- Colour: Dual Tone – White and cool grey
